**HOW TO CONDUCT AN ONLINE CALIFORNIA LEGISLATIVE INTENT SEARCH**

How can you persuade a California judge to rule for your client? One way is to show the judge the California Legislature's intent when it created a particular code. This presentation will teach you the seven (7) steps to conducting a legislative intent search using free Internet resources, as well as a few not-so-free online resources found at most any county law library.

Bret Christensen is a 12 year veteran of assisting the public as a Librarian and presently serves as the Public Services Librarian at the Riverside County Law Library. His blog at [Legalresearchiseasy.blogspot.com](http://Legalresearchiseasy.blogspot.com) is but one example of his dedication to spreading the religion that, with a little effort, legal research is easy and that anyone can learn the finer techniques of the trade. Bret has won the Excellence in Marketing Award for Best Newsletter and Best Campaign from the American Association of Law Libraries.

*This activity has been approved for minimum continuing legal education by the State Bar of California in the amount of 1 hour of participatory general credit. ICAP is a State Bar of California Approved MCLE Provider, #11452.*
