WEBINAR PRESENTATION

TIPS AND TRICKS WHEN eFILING IN SUPERIOR COURT

ICAP's first Webinar will be co-hosted by our Sponsor, [One Legal](#). As of now only 19 of California's 58 counties permit eFiling in some or all case types, but new eFiling courts are coming. In February, Santa Clara County mandated Civil eFiling. In March, San Mateo started accepting eFiled Case Initiations (in Probate case types only). In April, Kern County will mandate eFiling for Limited Civil case types, and over the next few months, several more counties will begin opening up more case types and courthouses to accept eFiled documents.

For this presentation, One Legal shares expert tips and tricks for eFiling documents, proofs of service, and the unique formatting rules you need to know for a successful eFiling. You'll also hear the latest updates on court integration technology and news including the new statewide eFiling deadline. Whether you're new to eFiling or need a quick refresher, this webinar should help make eFiling a smoother process for all.

One Legal is an industry-leading comprehensive litigation support solution offering physical court filing, eFiling where available, service of process, and courthouse research and retrieval; all through the One Legal single-sign on platform.
