SOCIAL MEDIA INVESTIGATIONS: DON'T MISS THE BOAT

In this class **Joseph Jones** will discuss how social media and internet use have opened up new avenues for legal investigations, addressing why social media investigations are important to almost every case type. He will also discuss how to correctly locate, preserve and authenticate online content, and why a printed copy of something online is insufficient to produce as evidence. Also included are ethical discussions on what you should/shouldn't be doing in regards to sending "friend" requests or other communications with subjects of the investigation.

Joseph Jones is a licensed Private Investigator and the Vice President of Bosco Legal Services, Inc. Joseph is a Certified Social Media Intelligence Expert, has degrees in Social & Behavior Sciences and Psychology, and holds multiple certifications in Open Source and Cyber Intelligence.
